<< 2011 IERE-RWE Dusseldorf Workshop was great success >>

2011 IERE-RWE Dusseldorf Workshop was held in great success at Hotel Nikko Dusseldorf on 24th - 26th May co-hosted by RWE, Germany. There were 63 participants from 14 countries. The general theme of the workshop was Integration of Renewable Energies'

The first day (Tuesday 24 May 2011) of the workshop started from Dr. Mikio Sato's expressing acknowledgement for the condolences from a lot of countries and his pleasure of having the workshop in spite of Japanese terrible disaster two months ago.

Mr. Friedrich Shoulte, Senior Manager Technologies of Corporate Research & Development of RWE, addressed the welcome speech and introduction of RWE, and the opening speech by Mr. Mark Dudzinski, IERE Chair (GE, USA), followed. After the Opening Session, the following two sessions were held; - Session 1: Flexible Power Plants

- Session 2: Energy Storage

The second day (Wednesday 25 May 2011) was organized with the following two sessions;

Session 3: Smart EnergySession 4: IT-Integration

The last day (Thursday 26 May 2011) was for the Technical Tour to the Coal Innovation Centre at Niederraussem Power Plant of RWE.
