IERE E-mail Magazine No.1 (1 June 2010)

This is the first issue of IERE E-mail magazine which delivers useful information related to IERE activities and member's topics.

<< IERE-Enel Rome Workshop on 19th - 22nd April 2010 >>

IERE-Enel Rome Workshop was held from 20 April through 21 April 2010 at UNA hotel Rome, Italy. There were 22 participants in spite of the great difficulty of movement to Rome by ash from Iceland eruption.

There were 4 technical sessions entitled as follows:
"Carbon Capture and Storage (CCS)"
"Concentrated Solar Power"
"Electric Vehicles"
"IT-Integration"

It could have useful and deep discussions, well-organized sessions, and finished in success in spite of less number of participants.

Please refer presentation files:
