- 4th IERE TIS-Asia Meeting in Manila Postponed

<< Join in the Project Meeting of "Transformer Insulating Paper Diagnosis" >>

IERE Central Office already announced collaborative R&D projects as new activity of IERE R&D WG, and the first project meeting of project 1, "Transformer Insulating Paper Diagnosis", would be held on May 14 and 15 at Hydro-Quebec, Montreal.

Hydro-Quebec manages this project and hosts the project meeting.

Please let us know if you hope to join in this project, and refer:

http://www.iere.jp/Members/RD_WG/index.html

<< Prolec GE newly joined IERE >>

IERE Central Office is pleased to announce that Prolec GE, Mexico, has newly joined IERE as a regular member from the month of February 2012.

Prolec GE, located in Monterrey, Mexico, is one of the largest transformer manufacturers in the Americas, offering a complete line of transformer products necessary for the generation, transmission, and distribution of electric power.

For more information, please refer to

<http://www.prolecge.com/interneten/>.
