Dr. Faubert

## << The 23rd IERE Board Meeting was held >>

The 23rd IERE Board Meeting was held in Seoul, Korea on 6 November 2012.

There was the proposal that IERE should deal with technology management, and the Board decided to continue discussion about it in Strategy Working Group which would be newly established.

The event plans of 2013 CPRI-IERE International Conference in India, and the 13th General Meeting and PIESA African Forum in Tanzania were approved.

## << The 12th IERE General Meeting and Korea Forum closed in success >>

The 12th General Meeting and Korea Forum will be held in Seoul, Korea from 7 to 9 November 2012 co-hosted by KEPCO, and about 80 participants came from 15 countries.

November 7 was for the 12th General Meeting and the General theme was "Post Fukushima". There were the presentations from KHNP Korea, RITE Japan, Eurelectric, Tokyo EPCO Japan, EDF France and EPRI USA about the energy policy and strategies, the decommissioning of Fukushima Daiichi Nuclear Power Station, safety assessments and related R&D issues etc.

Professor Sekine received 2012 IERE Award for his commemorating a life time of outstanding contributions to IERE, academies and the Global Electric Power Industry.

*NGO in Roster Consultative Status with the Economic and Social Council of the United Nations*

Mr. Ballay, the Advising Chair Emeritus of IERE, explained the career and eminent achievements of Prof. Sekine, and Mr. Dudzinski, the Chair of IERE, handed the plaque of IERE Award to Prof. Sekine.

November 8 and 9 was for KEPCO-Korea Forum and the Main theme was "Technologies overcoming Economic Depression and Natural Disaster".

There were 21 presentations and discussions.

A short film how tsunami attacked thermal power plants in Tohoku area Japan was displayed in the hall, and the introduction of KEPCO's business and technologies was exhibited and displayed, too.
