New Collaborative R&D Projects launched

Call for Nomination of the 2013 IERE Award

<< The 4th TIS-Asia Meeting in Manila was a great success >>

The 4th TIS-Asia Meeting was held in Manila, the Philippines, January 16 - 18 co-hosted by Meralco and supported by DOE of the Philippines, Aboitiz Power Corporation, SMC Global Power Holdings and ADB.

There were more than 250 participants and active discussions. There were 5 sessions on the first day and 2nd day about Philippine power development program, renewable energy, Smart Grid application and alternative fuels development program. TIS-Asia Session was held on the third day and it had Generation Working Group Session, Network Working Session and Panel Discussion on Smart Grid in Asia.

Secretary General proposed the next step of TIS-Asia activity which strengthens communications among members and provides any kind of activities such as seminars, expert meetings, workshops etc. based on Asian members' proposals.

IERE

<< New Collaborative R&D Projects launched >>

IERE Central Office announced newly approved projects and asked IERE members to participate in the projects.

New four projects were approved as Collaborative R&D projects at the 3rd R&D WG meeting in November 2012 in Seoul.

- Project 4: "Utilization of the Retired Thermal Power Plants Using Natural Gas/Coal"
(proposed by EGAT, Thailand)
- Project 5: "Policy on the social/environment fund for community
development/improvement in the area nearby thermal power plants"
(proposed by EGAT, Thailand)
- Project 6: "Reliability centered maintenance in power system" (proposed by NRI, Iran)
- Project 7: "Non-destructive Auscultation of the Roofs of Distribution Underground
Structures without Need for Access" (proposed by Hydro-Quebec, Canada)

The previously approved project 1 - 3 can still be joined.

Please join the above projects and contact IERE Central Office.

<< Call for Nomination of the 2013 IERE Award >>

IERE Members are expected to nominate candidates for 2013 IERE Award before the deadline of May 31 (Friday) by an e-mail to the IERE Central Office.

A nominee need not belong to an IERE member body; however, he or she must be alive at the time of nomination.

It represents a prestigious recognition of an individual or a team who has added outstanding contributions to R&D or to its management in the electric power field.
