<< The 1st Prototype TLM in Brussels >>

IERE Board decided to hold the first Prototype TLM (Technology Leader Meeting) in Brussels on the 3rd of June in 2014 in conjunction with the 2014 IERE-GDF SUEZ Brussels Workshop. The main theme of the meeting is "Intermittency Management". This meeting has been organized based on the idea of "Technology Management" which had been adopted by the Board as a new concept for IERE missions. The meeting is now being organized by IERE European Board members including EDF, Enel and RWE as well as GDF SUEZ. The IERE executive members can apply for participating in this meeting.

<< Cancellation of the Expert Meeting on Clean Coal Technology >>

The Expert Meeting on Clean Coal Technology which had been expected to be held on 20th-21th September 2012 in Xi'an, China co-hosted by Xi'an Thermal Power Institute (TPRI) has been postponed because of some difficult circumstances. However, the meeting was officially cancelled after negotiation between IERE Central Office and Xi'an TPRI.
