<IERE Topics>

<< The 26th IERE Board Meeting was held in Brussels >>

The 26th IERE Board Meeting was held on 2 June, 2014 in GDF SUEZ Tower, Brussels, Belgium.

The main agenda were as below;

- Review of membership.
- IERE Progress Reports, Accounting Report/Budget Plan, and the Annual Report were explained by Central Office and approved by the Board.
- The First Prototype TLM in Brussels (Update on Progress and Lessons Learnt)
- The Second Prototype TLM (USA)(Preparation Status Report)
- Follow-up of the Mid-Term Action Plan (Bylaws Article 2 (Payment of Membership Fee) and Article 12 (Election Procedure) were amended.)
- IERE Workshop 2015 (Proposal by CRIEPI to host 3rd TLM and WS in Tokyo in May 2015 was approved.)
- IT WG Summary Report (EDF gave a summary report on the activities of IT Working Group which was closed in 2014)
- IERE Activity Plan for 2014-2015
- Next Board Meeting (The 27th IERE Board Meeting will be held at EPRI Charlotte Lab., USA, on November 17, 2014.)

<< The first Prototype TLM held in Brussels >>

The 1st Prototype Technology Leader Meeting (TLM) was held at GDF SUEZ in Brussels on June 3, 2014.

The theme of the meeting was "Intermittency Management". Twenty two (22) people

NGO in Roster Consultative Status with the Economic and Social Council of the United Nations

from twelve (12) IERE Executive Member organizations participated in the meeting. A moderator, keynote lecturers and the Central Office also joins the meeting. This was a closed meeting, but an executive summary of the meeting will be provided to all IERE members.

<< 2014 IERE-GDF SUEZ Brussels Workshop>>

The Workshop was held on 3-5 June in Brussels Belgium, in which 65 persons of 36 organizations from 14 countries participated.

6 sessions were chaired by prominent IERE Executive members under the general theme of "Energy at home". Informative 19 presentations and 3 keynotes were delivered and followed by active discussions among the participants and speakers.

The optional technical visits to the "Living Tomorrow", Drogenbos Combined Cycle Power Plant and the Laborelec were conducted on 6 June.

The presentations, keynotes and photos will be uploaded on "Members and Participants only" page of IERE Website (<https://www.iere.jp>) soon.
