**Keynote Speech: [at GM on 19 Nov.]**

- **Mr. Robin E. Manning**, Executive Vice President and Chief External Relations Officer and Senior Vice President, Shared Services, Tennessee Valley Authority

- **Dr. Arshad Mansoor**, Senior Vice President R&D, EPRI on  
"The Value of an Integrated Power System"

**Overall Conference Chair:**

**Mr. Clark W. Gellings**, Fellow, EPRI, USA

**Common Theme:**

"The Integrated Grid - Realizing the full value of central and distributed energy resources"

**Session Theme:**

**The 14th IERE General Meeting**

Session A: Innovations in Wholesale Markets and Rate Design

Session B: Strategies for Integrating Distributed Energy Resources and their Role in Tomorrow's Energy Landscape with Grid Planning and Operation

**The IERE - EPRI North American Forum**

Session C: Deployment of Advanced Distribution and Reliability Technologies

Session D: Distributed Resources Technologies

**Poster Session:**

Presentation at Poster Session: No later than 15 September 2014

The Poster Session is organized under the framework of IERE's "Young Academy" activity. Although presentations by any participants (at any age) are expected, IERE and EPRI especially encourage university students, academic researchers etc. to participate in presentations at Poster Session under the common theme of General Meeting and Forum.
