Presentation files (low CO₂ technologies, smart energy & digitizing technologies, etc.) in Workshop have opened to the public.

“Even if you are non-member of IERE, you could download presentation files in Workshop.”

The 2017 IERE-TNB Putrajaya Workshop was held in Malaysia from Nov. 20 to 23.
Main theme was “Technologies reshaping the electricity supply industry”.
114 participants from 11 countries/regions attended.

Sorry, snap photos are limited to the participants and IERE members.
