

# IERE Email Magazine

Vol. 57

October 25, 2018  
IERE Central Office

## Presentation video for “AI” is available.

Six young engineers from IERE members worldwide (CLP RI (Hong Kong SAR), CRIEPI (Japan), Enedis (France), innogy SE (Germany), KEPCO (Korea) and TPC (Taiwan)) has been discussing in-depth research on AI (Artificial Intelligence) technology in Technology Foresight project since March 2018. Dr. Lee of CLP RI as a representative of young engineers reported the interim research result at Japan Forum on May 23, 2018. You can watch the presentation video and download its slides on IERE website.
